MINDFULNESS EVERYDAY[®]

AN 8 WEEK WORKSHOP
IN MBSR

MINDFULNESS BASED STRESS REDUCTION

A Meditation Based Workshop

Modeled on The Stress Reduction Clinic created by Jon Kabat-Zinn
at the University of Massachusetts Medical Centre in 1979.

What are the benefits to Mindfulness?

Mindfulness is the practice of present moment, non-judgmental awareness of one's life experience. Through the use of mind/body techniques, one begins to relate to the stress and anxiety in life differently. In ways that allow for more creative solutions and possibilities. It can help you:

- Enhance physical, emotional, mental, social health and well-being
- Increase ability to flow with the ups and downs of everyday life
- Deepen understanding and compassion for oneself and others

What's included in the MBSR program?

The course schedule consists of eight weekly sessions and one all day retreat session on a weekend.

This highly participatory, practical course includes:

- Guided instruction in mindfulness meditation practices
- Gentle stretching and mindful movements
- Group dialogue and discussions aimed at enhancing awareness in everyday life
- Daily home practice assignments
- Four home practice CDs and a home practice workbook
- The textbook: Full Catastrophe Living by Jon Kabat-Zinn

The course is conducted in a safe, supportive learning environment by experienced teachers.

In the spirit of generosity, some spaces may be available to those who genuinely are unable to afford the full cost of the workshop. Alternative payment options may be considered.
